● В связи с постоянной работой по совершенствованию изделия, повышающей его надежность и улучшающей условия эксплуатации, в конструкцию могут быть внесены незначительные изменения, не отраженные в настоящем издании.

● Since efforts are continually made to improve the reliability and performance of the product minor changes may be introduced without special notice.

● Compte tenu des perfectionnements constants du produit visant à améliorer sa fiabilité, ainsi que ses conditions d exploitation, des modifications insignifiantes peuvent être apportées à sa conception sans être signalées dans la présente publication.

● Änderungen im Interesse der Weiterentwicklung vorbehalten.

● Debido al constante perfeccionamiento del artículo con el fin de aumentar su seguridad y mejorar las condiciones de eexplotación, en su estructura pueden ser introducidas modificaciones insignificantes que no se reflejan en la presente edición.
